

Color Functionality Tests

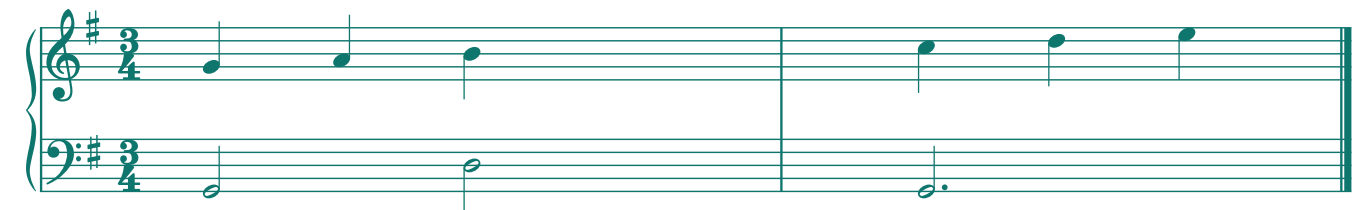

Test 1: Global melody color

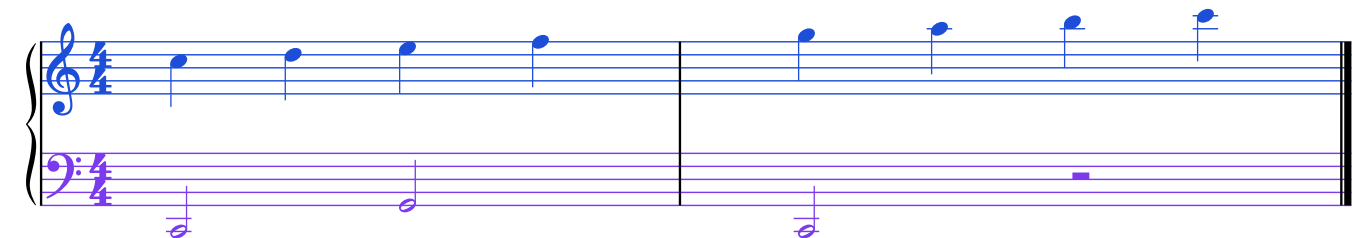

Test 2: Global score color with title and composer

Global Color

Scorify

Test 3: Per-staff colors inside one score

Test 4: Selection color wrapper over notes and slurs

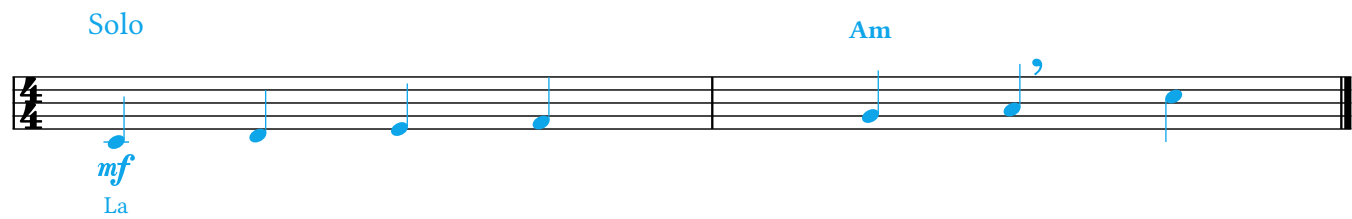

Test 5: Selection color wrapper with dynamics, text, and lyrics

Solo

Am

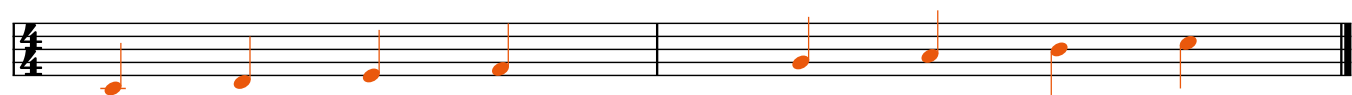

mf

La

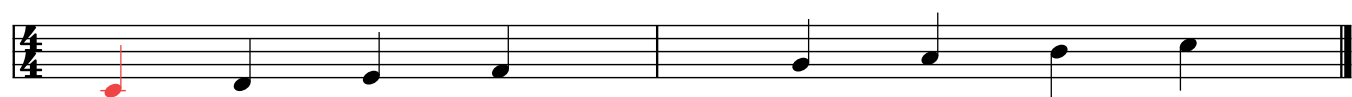

A musical staff in 4/4 time with two measures. The first measure contains four quarter notes, all colored blue. The second measure contains three notes: a quarter note, an eighth note, and a quarter note, all colored blue. The first note in the second measure has a flat symbol. Above the staff, the word "Solo" is written in blue. Above the second measure, the chord "Am" is written in blue. Below the first note of the first measure, the dynamic "*mf*" is written in blue. Below the first note of the first measure, the lyric "La" is written in blue.

Test 6: Selection color wrapper should not recolor barlines or staff lines

A musical staff in 4/4 time with two measures. The first measure contains four quarter notes, all colored orange. The second measure contains four notes: a quarter note, an eighth note, a quarter note, and an eighth note, all colored orange. The notes are positioned such that they do not cross the barline.

Test 7: Local note color override

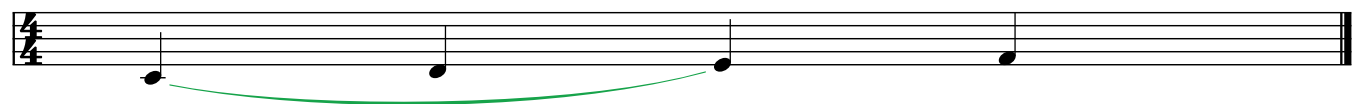

A musical staff in 4/4 time with two measures. The first measure contains four quarter notes: the first is red, and the others are black. The second measure contains four notes: a quarter note, an eighth note, a quarter note, and an eighth note, all colored black.

Test 8: Local tie-only color override

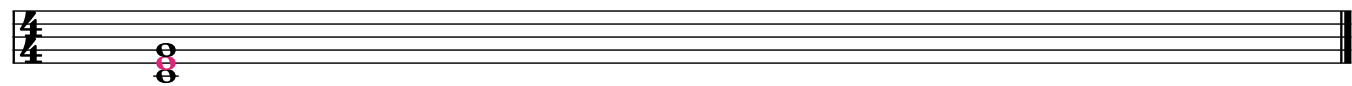

A musical staff in 4/4 time with two measures. The first measure contains two quarter notes connected by a blue tie. The second measure contains a half note.

Test 9: Local slur-only color override

A musical staff in 4/4 time with two measures. The first measure contains two quarter notes connected by a green slur. The second measure contains two quarter notes.

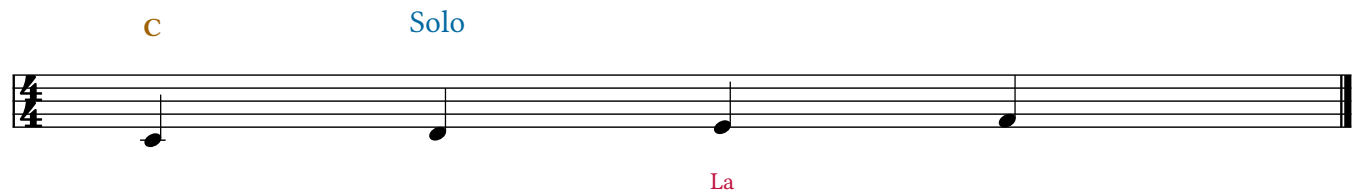

Test 10: Local chord-note color override

Test 11: Local articulation and dynamic color overrides

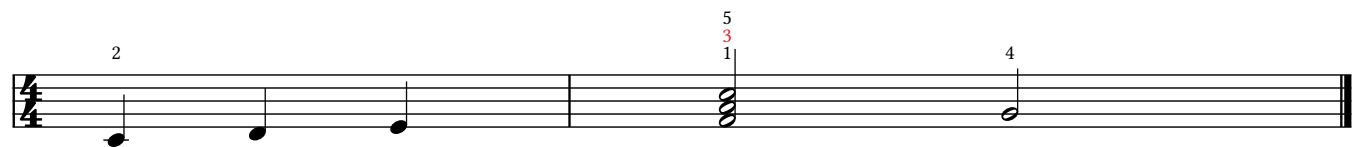

Test 12: Local chord symbol, staff text, and lyric color overrides

Test 13: Mixed global, staff, selection, and local colors together

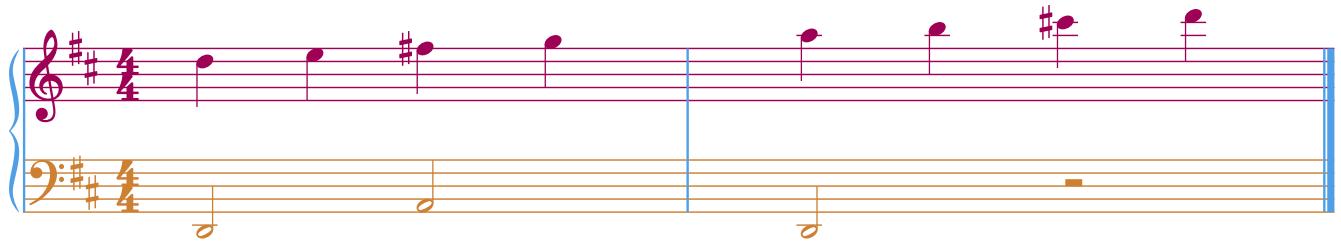

Test 14: Fingering color override with one colored mark in a three-fingering chord

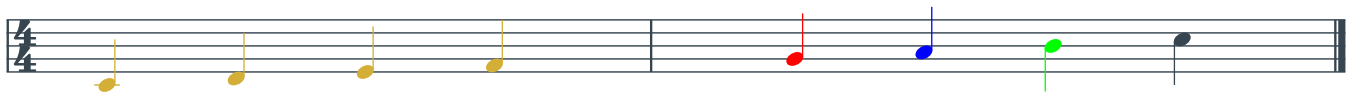

Test 15: Named preset global colors across a grand staff

Preset Palette

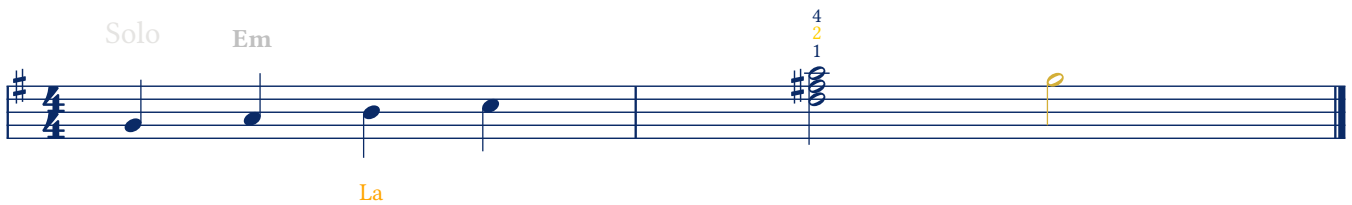

Scorify

Test 16: Named preset inline wrappers and local overrides

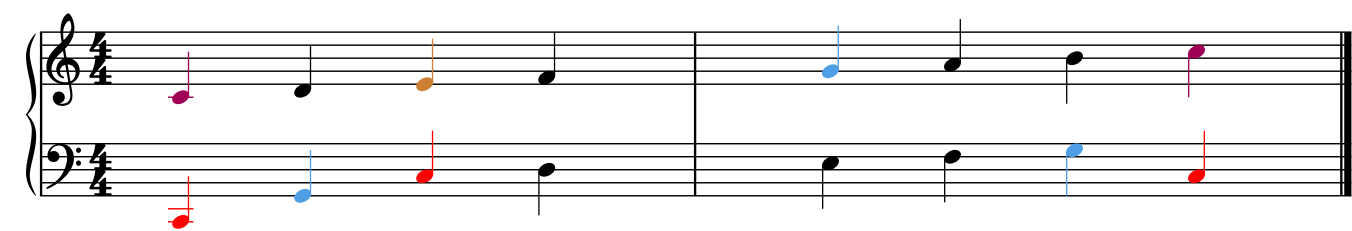

Test 17: Metallic and neutral presets on text, chords, and fingerings

Test 18: Melody note-colors map

Test 19: Score and per-staff note-colors maps

Test 20: Note-colors map should yield to inline color wrappers

Test 21: Note-colors map should apply across octaves with explicit split points
